# Connect Groups

## INFORMATION

Adelaide Christian Centre loves connect groups! We have a great number of people throughout the life of our church attending a small group on a regular basis.

We believe that life change happens best in small groups, through accountability, a sense of belonging and knowing that others care.

Hebrews 10:24-25 says: *Let us consider how we may spur one another on to love and good deeds. Let us not give up meeting together. Let us encourage one another.*

All of our connect groups are laid out in the following columns. If you have not joined a connect group yet we encourage you to look through the list and try out the one that suits you best!

## END OF YEAR CONNECT GROUP ARTICLE

Wow! Time really flies by so fast.

The year of 2019 has been a full-on year for most of us.

For some, it has been a year of change. This might include: getting a new place, finishing university, entering the corporate world, getting engaged, getting married, expecting a baby and moving to a new country, which we all now call home.

Whatever we have been through this year, we are all inundated with so many changes in life.

Though change seems to be part of our daily life, one thing remains the same and unchanging, it is the love of God to us.

Christmas is the time when we are once again reminded of this great love of God through the act of sending His only begotten Son into the world.

As Christmas approaches, many of us will take the opportunity to spend some quality time with family and friends. Some may have relatives coming over while others have to travel far.

Before all these things happen, I would like to take a moment to say a huge "THANK YOU" for your unselfish love and your ongoing commitment to your connect group and to our church family.

Thank you for all your relentless effort and

for how you have served so sacrificially over the past year.

Whether it's leading your connect group; hosting connect group meeting; setting up the table; visiting other group members or any of the countless, usually unseen, tasks that keep the connect group and the weekend meetings running smoothly.

You are all very much appreciated!

Thank you so much for all the things that you do. May the Lord continue to return the favour to you a hundredfold.

During this festive season, as we celebrate the birth of our Lord and Saviour Jesus Christ, may this wonderful time of the year be very meaningful to you.

May the Holy Spirit fill your heart with God's love and joy in every way this Christmas and beyond.

What an amazing way to celebrate "Emmanuel" - GOD WHO IS WITH US!

Have a wonderful Christmas and a blissful New Year!

Blessings,  
**Pr Gregg Mañego**

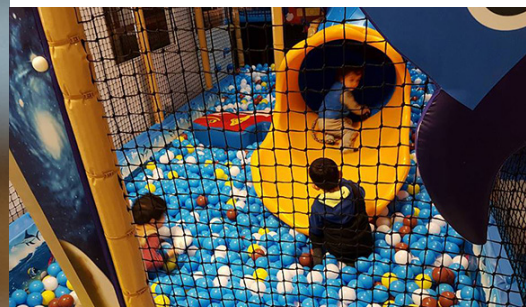

*Connect groups will take a break over the holiday season. Please contact your connect group leader if you would like to know when connect group will begin again in the new year.*

*If you have not yet joined a connect group and would like to in 2020, there will be an opportunity for you to sign up for one in the new year. Keep your eyes out for the sign up tables in the foyer late January.*

## CHURCH MINISTRIES

### PLAYGROUP

#### 0-6 Years

Giggle Patch Playgroup runs every Wednesday morning from 10am-12pm at 27 Sturt Street, Adelaide.

Our playgroup only runs during school terms, not during the holidays. Please note that this includes the Christmas and New Year break.

An indoor playground and a variety of other activities are available for children under 6 years of age.

Parents are encouraged to come along to enjoy some time together where they can create new friendships and continue to develop existing ones. The children are able to play together and have some fun.

Tea and coffee is provided for parents. Everyone is requested to please bring a gold coin donation.

If you would like any further information on Giggle Patch Playgroup or if you would like to volunteer, contact Raquel Edwards or the church office via phone or email. Contact details for the church office can be found on page 3.

### CRÈCHE

#### 0-3 Years

Our crèche is open every Sunday morning during the service for all those aged 0-3 years. Parents are welcome to sign their kids in anytime from 9:45am and are asked to sign them out no later than 11:45am or whenever the service finishes.

During the Christmas and New Year period, if parents want to use the crèche they will need to stay with their children as no volunteers will be rostered on.

Our crèche consists of an open space where children have access to a variety of fun toys, craft materials, books and more. Children also have the opportunity to enjoy our indoor playground!

Attached to our crèche is a feeding room for breast feeding mothers and babies. An audio link and window into the auditorium allows mothers to see and hear what is going on in the service.

We ask that all parents please assist us in keeping our crèche area clean. Whenever young children are in the crèche they need to be supervised.

## GROW

### 3-6 Years

It's Christmas time! On the 8<sup>th</sup> of December we have our Grow Christmas party and on the 15<sup>th</sup> of December we have our big church Christmas presentation.

I want to wish everyone a very happy and safe Christmas season. I hope you all have a lovely break, if you are lucky enough to have some time off. I hope you have a blessed time. If you are working, thank you. You are awesome! We would be lost without the amazing people that keep everything going.

Thank you all so much for your love and support this year, we couldn't do it without you!

Your final challenge for this year is to reach out to someone, send a card, pick up the phone or just catch up with an old friend for coffee. Christmas can be tough for some people, so reignite those friendships that may have slipped away or make a new friend and start a new Christmas tradition.

Merry Christmas everyone,  
**Cassie Beattie**

## ELEVATE

### 7-11 Years

2019 has been an awesome year for Elevate! We revamped the program and it has been very successful! This term we have focused on RESPONSIBILITY and PATIENCE. We have one lesson left on PATIENCE in December and then we will move onto practicing our items for our Christmas service.

Our final Elevate sleepover for 2019 will be held on Saturday 14<sup>th</sup> December. All Elevate children are welcome to come along to church for a 3pm start. The cost of the sleepover is \$10 each.

## PROGRAMS

### Meet and Greet Service

New migrants are met at Adelaide Airport and transported to their accommodation. We help them settle into their accommodation and provide information about essential tasks that need to be done on arrival.

### New Arrivals Dinner

A special dinner which is run four times a year to welcome new migrants to South Australia. Qualified consultants are invited to speak on housing and accommodation, employment, and finance and banking.

### Food and Fun Day

A fun-filled day that runs three times a year. The event includes a self-serve meal, social interaction through table tennis, bouncy castles and other activities. This is a great way for new migrants to build relationships with members of the community.

### Speak, Hear, Speak

Speak, Hear, Speak is an English class that runs every Tuesday evening during the school term. These classes provide free conversational English lessons to new arrivals and others who consider English as their second language.

### Practical Assistance

Adelaide City Care provides additional practical assistance to the disadvantaged members of the community including new arrivals to South Australia regardless of their age, sex, ethnic background, religion, political beliefs and marital status.

## MEET AND GREET TESTIMONIAL

The Meet and Greet Service is provided by Adelaide City Care to new migrants upon their arrival in South Australia.

The Meet and Greet volunteer provides on-arrival assistance to newly arrived migrants by:

- Meeting them at Adelaide Airport and transporting them to their pre-arranged accommodation.
- Taking them on one shopping trip to buy food and other essentials.
- Assisting them to settle into their pre-arranged accommodation.

Reg Wilson is one of our most dedicated

Meet and Greet volunteers. We appreciate everything he does to serve in this area. Below is a testimonial from a new migrant regarding Reg's service.

### Testimonial

I am writing to let you now that the Meet and Greet service provided by Mr Wilson was awesome yesterday. He waited for us a long time at the airport because we came as a big family and we were held by customs due to belongings declaration. He drove my family members to the accommodation and waited until I arrived as I drove my own rental car. He is so responsible and supportive. He provided all the information I needed and gave us a lot of advice. My family and I would like to thank him for the great service!

Thank you,  
**Joe**

# Adelaide Christian Schools

## ADELAIDE CHRISTIAN SCHOOLS

## ABOUT US

A significant part of the mandate of our church is Christian Education. Leo Harris had a vision for Christian Education and plans were developed in 1976 and 1977 for a Christian School. Sunrise Christian School was founded in 1978 in Fullarton. A few years later Temple Christian College was founded as a sister organisation for high school students.

Adelaide Christian Schools (ACS) is an organisation that aims to oversee and support its schools ranging from Reception to Year 12 in co-educational settings and other training establishments. ACS is called to educate and train children in all aspects of life in such a way that God is seen to be the centre of everything - to be an extension of the Christian home, fulfilling the God-given mandate for parents to bring up their children in His ways.

The schools are governed by a Board with membership comprising individuals with vast experience and expertise from a variety of industry sectors. The Board works closely with Committees and Advisory Groups that have been established in each school community to engage with local leadership at a grass roots level, providing an opportunity for local input and expression.

## OUR SCHOOLS

ACS governs and supports 11 schools. These schools comprise of approximately 2300 students and in excess of 250 staff. Each school offers its own distinctive qualities that focuses on the role of the family in education, character development and excellence in academics.

## SUNRISE BETHEL CHRISTIAN SCHOOL TEN YEAR ANNIVERSARY

It has been very special to celebrate the anniversary of Sunrise Bethel Christian School (SBCS) and share it with our community.

As we reflected on our ten years of schooling at SBCS we were reminded of so many stories, wonderful memories and special friends. At both main events on the evening of Thursday 7<sup>th</sup> November and during the day on Friday 8<sup>th</sup> November, we saw people reconnecting with friends they had not seen for a long time, sharing stories and enjoying our community.

We honour those who sat on the steering committee for so many years, planning and putting their faith in God to see this school come about. Ros Noah, Greta Suve, Maria Kave, Agnes Walimu, Brian Tieba, Faye Ami, Katie Imani, Lauren Tau, and Naude Kalos were all members of the original steering committee who first dreamed and planned for Sunrise Bethel.

This group of people believed and had confidence that God had more for the children of this city. They stepped out in faith, believing that faith would lead them to ask God for the next thing. They did what we should all do! We should expect and have confidence that God has more for us and that if we trust in Him, we will see new things. Inquiring of God in faith will help us to see beyond what we normally see.

In Matthew 14, when Peter stepped out of

the boat he stepped out in faith – trusting Jesus and seeing what he normally did not see! But then he took his eyes off Jesus and did what we would probably all do – looked around him and thought “this is impossible” – and it is! Peter didn’t know the answer but Jesus did.

For our God loves impossible situations because impossible situations give Him an opportunity to demonstrate both his love towards us and his power in our lives. Our faith doesn’t have to be perfect, but as we step out together in faith, we will see God step in.

We have stepped out in faith for a Grade 9 class in 2020. We don’t know everything but God does. We are stepping out in faith and we will see God step in and demonstrate his love towards us and power in our lives.

Very soon SBCS will be building five classrooms that include three standard classrooms, a science lab and a technology room. We will also be building a new toilet block. These will be at the end of the field away from the driveway. At the beginning of the year, this was impossible – but not in God’s eyes.

The Adelaide Christian Schools’ (ACS) and SBCS board are dreaming of big things for the future of Sunrise Bethel in Papua New Guinea (PNG). We believe that God is giving us visions of what can be and how we can grow. We have big dreams for our graduate students and the road that they will take into the future for themselves and their country. A time of growth is just ahead of us and we are excited and ready for the journey.

Future hope is expectation and confidence

that God is ahead of us and we just need to follow in His footsteps.

Faith is action – stepping out because of hope – because of what we cannot yet see! In Colossians 1: 10 it says: So that you may live a life worthy of the Lord and please him in every way: bearing fruit in every good work, growing in the knowledge of God. This is our desire – to live lives that are worthy of the Lord, and please him; to bear fruit in everything we do; and to continually grow in the knowledge of God.

We are not finished yet – it is wonderful to celebrate what God has brought to us in the last ten years – and now it is time for us to look forward into what is ahead of us.

We were especially blessed to have so many visitors take the time to come up from Australia. Thank you to the following

people for coming to share our celebration:

- Mr Kym Golding, CEO of ACS, and his wife Mrs Jan Golding along with their two sons: Josiah and Peter.
- Mr James Golding and his wife Mrs Margaret Golding; parents of Mr Kym Golding.
- Pr Mike Groom, Chairman of the board of ACS, with his wife, Mrs Kelly Groom, and their daughter Mikaela.
- Mr Hew Barnard-Brown, previous Chairman of the board of ACS and current ACS board member.
- Mr Mark Nokes, Manager of Corporate Services for ACS.
- Mr Roger Tumes, previous principal of SBCS and his wife, Mrs Jill Tumes, a

former staff member of SBCS.

- Mr Caleb Cure, former deputy principal of SBCS.

- Mr Roger Page, former co-principal of SBCS and his wife, Mrs Jaqui Page, a former staff member of SBCS.
- Mr Tony Hudson, Principal of Sunrise Christian School Paradise and regular visitor to SBCS.

The new “Tyre Playground” was opened at our Tenth Anniversary event and was very popular with our students. See the picture above.

We are very thankful to Pr Abel Manzanilla for his incredible art-work background for the bottle top project. It was wonderful to see all the children, adults and friends of our community contributing to the placement of bottle tops on the painting.

We are incredibly indebted to the different teams from Bethel Tabernacle of Praise who helped to make our events successful. The music and the setup teams, in particular, were such a blessing to our school.

There are so many people in our school community who we would like to thank.

### Bethel Children's Homes

**Sri Lanka:** \$400 per month

**Tax Deductible Project Code:** J982N

Bethel Children's Homes have been in operation since 1998 when the first home opened with 11 girls. Since then two new homes have been built to house more girls on the same property. A property was also purchased to build a new home for boys. All of the children in the homes have been affected in some way by the war and civil unrest in Sri Lanka. This has resulted in them being displaced, physiologically affected and discriminated against.

The homes have government permission to care for up to 40 children. They maintain a family-like environment by ensuring a high level of individual care. The homes ensure all children are sent to primary and secondary schools within the community,

assures all medical and healthcare needs are met, provides all subsistence needs (i.e. food, clothing, shelter, water, sanitation, recreation etc.), and commits to continually support their overall physical, emotional, mental and intellectual development.

Our church provides financial and management support for the children and staff within the homes. As a church we sponsor four children - Angel, Sharon, Jonathan and George.

#### *Prayer Points:*

- Pray that all new children who come into the home will settle in.
- Pray for our dedicated staff who take care of the children day-to-day.
- Pray for everyone as they enter into the Christmas and New Year period.

### Children's Feeding Programs

**Philippines:** \$100 per month

Thousands of children have been ministered to throughout the Philippines by our feeding programs. Our children's feeding programs use strict attendance and monitoring records and are run for children in three age groups - 3 to 6 year olds (Level 1), 7 to 10 year olds (Level 2) and 11 to 14 year olds (Level 3).

Multiple activities are included within the feeding programs - feeding, Bible teaching, Gospel preaching, prayers for the children and their families, prayers for the communities, world missions orientation, games, memory verses, praise and worship, and assignments on the Bible. These programs may also go further to include children camps, family visits and Christmas gift giving.

CRC children's feeding programs differ from other feeding programs in the Philippines. They do not simply seek to provide food to children to fill their stomachs on a short term basis. They aim to provide education on nutrition and to provide nutritious meals so the health of children and their families may improve long term.

#### *Prayer Points:*

- Pray for our workers in the Philippines who faithfully serve in this ministry.
- Pray that the feeding programs will open a way to reach whole communities for Christ.
- Pray for all the children involved that they will respond to the Gospel message.

## HUGHES FAMILY UPDATE

Greetings and blessings to you all from us here at Faith Center Church, Walhalla.

This month I celebrated my birthday. On the day of my birthday we had a nice and quiet celebration with the family. I also enjoyed a great celebration when the church congregation put on a birthday celebration for me after our church services on the Sunday after my birthday. It was very much a surprise and a blessing. It is so good to be a member of God's great family.

This month we had a lady that Omega and I were regularly visiting from our going out and door knocking, suddenly pass away. She died of a serious heart attack. We thank Jesus for the time we had with her and the

opportunity to minister to her before her passing away. She was 63.

We have been so blessed. Warwick Jr had to have a root canal done on one of his teeth. We went to a dentist and he did the root canal at no cost. This was so amazing and an awesome blessing.

Truly where God guides, He provides. We were troubled as to where to take Warwick Jr to get the root canal done. We were encouraged to go to this particular dentist so thankfully we did.

We continue to have teaching nights on Wednesday nights. We finish each night with a time of prayer for missionaries and missions work. Those attending are really enjoying learning from the missions prayer brochures that Pr Barry Silverback and the Bethel World Missions Office in Papua New Guinea produce.

Once every two weeks on a Thursday, I visit the local dump to dump trash we collect from the school, our offices, the church, our house and another staff member's house that lives on the property. This is a 15 minute drive from Faith Center.

I am not doing much mowing now as the growth of the grass with the cold weather has slowed down a lot. The ground is mostly covered with leaves. Squirrels are out everywhere collecting pecan nuts that have fallen from the trees and other goodies that they can find before winter comes in full force.

Omega is helping on a Friday with the kindergarten to grade two children for half a day. She is really enjoying teaching the children.

Faith Christian School is doing good. The principal and our volunteer staff are doing a tremendous work with the children.

This month we had a new grade four girl come into the school. This has brought our total number of students in the school up to 19. I understand that at least two other people are interested in the school and are looking at possibly sending their children in to become students.

Omega and I had the pleasure of ministering to one of the teenage boys and he gave his life to Jesus. Praise God.

Jethro and Warwick Jr have found this last month of school a bit more demanding, but they are doing well and we are blessed to see their improvements.

We postponed our most recent door knocking as we got rained out on that day.

Church is going well considering we have had some members sick but we keep pushing through in prayer. As we have done this we have seen improvements in those that have been sick.

We continue to have communion on Sundays and prayer for the sick. We had one congregation member's relative in hospital with a serious heart condition. His operation was scheduled for a certain date, but by God's grace, the operation was changed to an earlier date. We got a message that he was taking some time to wake up after the operation, which was a bit of a concern, so we prayed. Not long after praying for him he woke up and said he is feeling good. Praise God!

Our congregation member that operates the sound in the church was not well one Sunday. We had Jethro operate the sound and the PowerPoint announcements that Sunday. He did a very good job.

I had some time with seven young children that were in attendance on a recent Sunday, including our boys. As the pastor it was a great opportunity to encourage them in their identity in Jesus in these trying and testing times that are upon our youth.

It is Thanksgiving here at my time of writing this update. Omega cooked her first ever Turkey which we enjoyed. We have Pr Mike Groom with us for a few days. It is so good to have Pr Mike here!

A big thank you to everyone for your prayers, encouragement and support, together we move forward in the work of the Kingdom of God.

## PAPUA NEW GUINEA TRIP REPORT

On Tuesday 29<sup>th</sup> October I travelled to Port Moresby, Papua New Guinea (PNG) for a two week trip. It ended up being a very busy two weeks!

I am currently studying a Master of TESOL at Tabor College and I came to the point in my course where I had to complete my practical component. I decided to go to Bethel Christian Centre to complete my practical.

I had the privilege of teaching English to the nine girls studying under Bethel's newest course - Bethel Preschool Teacher Training Course. I had a fantastic time!

I had never taught English in a formal classroom prior to this experience so I was pretty nervous. I was worried that the students wouldn't take me seriously; that they would think I wasn't fully equipped to be a teacher. However, as soon as I began my first lesson, most of these insecurities washed away. I had the girls laughing and having fun from the get go which was awesome!

In addition to teaching these girls, I also had an opportunity to teach the students in World Missions Faith Training School (WMFTS). I only had a couple of lessons with them so I decided to run through the sounds in English, as well as punctuation. We had a lot of fun!

I was greatly encouraged by the eagerness of the students to learn. Every student that I taught showed a genuine interest in what

we were working through, and everyone showed a willingness to participate. This made teaching them a whole lot easier! It also made me very excited to go back to Bethel next year to run English classes again. I noticed a definite need for continued English classes and I am more than happy to put my hand up to help in any way that I can.

Half way through my trip mum and dad came to PNG to attend the tenth anniversary of Sunrise Bethel Christian School. It was awesome having them there. We have never all been in PNG at the same time before - well, not if you count the time mum was pregnant with me - so it was very special sharing part of this trip with them.

Outside of the teaching and celebration for the school, one of the highlights of my trip was visiting the Bomana Women's Prison

in Port Moresby. Roxanne, a Filipino missionary and key staff member of WMFTS, asked me to accompany her and a few of the students to the prison one Sunday morning. I had no idea what to expect but I agreed to go along anyway.

I'm happy I went! I was pleasantly surprised by how much I enjoyed it. I learnt a lot during my short visit as my eyes were opened to new things. I even found myself researching the prison, and others throughout PNG, when I got back to Bethel that day. I found the overall environment and situations of the women intriguing, albeit sad.

I had a fantastic time in PNG and I can feel a growing desire within me to visit more and more! I am excited for what lies ahead.

# SOLOMON ISLANDS

## MISSIONS TRIP JULY 2020

### Testimonies from Previous Trips

Going to the Solomon Islands was not what I expected. I really got a different perspective of living, but it was wonderful. I really loved it. It was a great experience.

#### Jireh Sagun

Our trip to the Solomon Islands was an experience that I will always treasure and never forget. Although we were the ones travelling to the Solomon Islands intending to give our time and service, we definitely received so much more than we gave.

#### Zoe Manego

For me the trip was a life changing experience because when I got back from the Solomons I felt like a different person. I learnt a lot of things such as remembering to be yourself and to be content with what you have now and to always be thankful.

#### Alexis Asilo

God is constantly giving me new perspectives in different aspects of my life back here in Australia by continually reminding me of what I experienced over in the Solomon Islands. This missions trip truly embodies the meaning of a humbling experience. I cannot wait for the next time.

#### Xeanthea Dy

My time in the Solomons consisted of a lot of fun, ministry, games, fellowship, laughs and a lot of good times. It was a very fulfilling time for me and it was nice to be able to spend time with such lovely, welcoming, genuine and fun people.

#### Rebekah Groom

### Details of the Trip

**Dates:** Monday 6<sup>th</sup> July - Thursday 16<sup>th</sup> July 2020

**Location:** Honiara (& possibly Malaita)

#### Program to Include

The team will depart Adelaide on Monday 6<sup>th</sup> July and spend the night in Brisbane. They will travel to Honiara the next day.

Due to this trip being in the early stages of planning, there may be changes to the program. For the moment we have two possibilities.

1. Attending an International Youth Convention at our CRC church in Honiara, Gateway Tabernacle of Worship. This will include attending teaching sessions, running children's programs, participating in outreach events and mixing with youth from all over the Solomon Islands.
2. If the International Youth Convention does not go ahead we will travel to Malaita Province to visit Daudau and Faugwari villages. This will include running children's programs, being involved in night meetings and spending time with the village folk.

#### Additional Information

Everyone will be expected to cover their international airfares, travel insurance, medication costs and any spending money. The rest of the trip will be covered through fundraising.

If you are interested in attending the missions trip next year please speak to Pr Mike Groom.
