VOLUNTEERS NEEDED

Media Production Team

The coronavirus pandemic has caused us to significantly invest in our media production team. During the time that we were unable to meet together physically, investing in this ministry has allowed us to pre-record services and live stream every Sunday. It also allowed us to create content to be broadcast on Adelaide's Channel 44.

This exciting endeavour will not end just because our restrictions have eased and we are able to meet together again. We are determined to continue our live streaming for each Sunday service, as well as a range of other tasks.

Up until this point, we have had a small

group of people operating the equipment, editing our services, working on the sound and more. They have done a fantastic job and we are now looking at recruiting more volunteers to help out.

If you are interested in sound engineering for live streams and for general Sunday activities, multimedia (operating the computer during live streams and Sunday services), camera operations and directing (switching camera angles), please contact the church office (contact details found on page 3).

Additional Areas in Need of Volunteers

- Cleaning the church facility
- Helping in the church cafe
- Guest Services Team (GST)
- Children's ministry

CONNECT GROUP ARTICLE

What a series we have just had as we discussed that *life is better connected*.

In order for us to make a difference, we have to be intentional in our choices to get together with other believers more than just on a Sunday.

Connect groups are vital. Andy Stanley says, "Circles are better than rows" and "Face to face is better than shoulder to shoulder".

No one is perfect. We all have the tendency to err, to drift, to doubt, to question, or even fall into temptation. And without others around us who care, this can be detrimental to our faith.

We need others to check up on us, to pray with us; we need encouragement from others. We need constant reminders of what we are supposed to do and being in a connect group is a key tool to help with this.

God has designed us to live in a community. A powerful connection happens whenever we can relate with one another.

Acts 2:42 describes the early church as devoting themselves to the apostle's teaching and fellowship.

I love it when we focus on applying what we hear on Sundays in our connect groups. This is important for us because maturity is not measured by information but by application.

Connect groups are an awesome space where we have an opportunity to discuss the practical application of what we have learnt on Sundays.

As we regularly meet in small groups, we reinforce the core of what we believe so we can live it out, learn more about God, and be effective as we serve.

Our commitment to our connect groups is a model to those around us. It is evidence that we value our spiritual growth enough to invest time in it.

Colossians 3:16 says, "Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom...."

Be blessed,
Pr Gregg Manego

CHURCH MINISTRIES

CRÈCHE

0-3 Years

Our crèche is open every Sunday morning during the service for all those aged 0-3 years. Parents are welcome to sign their kids in anytime from 9:45am and are asked to sign them out no later than 11:45am, or whenever the service finishes.

Our crèche consists of an open space where children have access to a variety of fun toys, craft materials, books and more. Children also have the opportunity to enjoy our indoor playground!

Attached to our crèche is a feeding room for breast feeding mothers and babies. An audio link and TV allows mothers to see and hear what is going on in the service; this is also available in the crèche.

If any parents, whose children frequently use the crèche, are interested in volunteering to help out in the crèche and supervise children during the church service, please contact the church office (contact details found on page 3). We are also looking for volunteers to help us in the crèche during our new Sunday night services.

GROW

3-6 Years

Hi everyone, as you may already know last month we focused on trust in Grow. We looked at how we can trust God and how there are lots of examples in the Bible of people trusting God.

This month we are focusing on peace and how we can be a peace maker. Our focus verse for August is from Romans 12:18.

Romans 12:18 says, "if it is possible, as far as it depends on you, live at peace with everyone".

We will be learning about how we can be at peace with others, how we can forgive others and how we can make a difference to others.

My challenge for this month is to read a whole book of the Bible and find something new to share with someone who may have forgotten how great the Bible is.

I hope everyone is staying well.

God bless,
Cassie Beattie

EQUIP

Equip Training College (ETC)

ETC is intentional about equipping Christ followers to be effective ministers and leaders, who serve God by serving others.

ETC places a high importance on identifying, equipping and releasing people into Christian service and leadership within the local church, community and throughout the world.

ETC endeavours to teach the fundamentals of the faith to people in a way that will transform their life and character, whilst preparing them to fulfil the call of God.

The curriculum has been designed to help local church leaders fulfil the Biblical mandate stated in Ephesians 4:11-12: *Christ Himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to EQUIP HIS PEOPLE FOR WORKS OF SERVICE, so that the Body of Christ may be built up.*

We encourage you to consider enrolling into one of our courses so we can journey together on the great adventure the Lord has for you.

Adelaide Christian Schools

ADELAIDE CHRISTIAN SCHOOLS

ABOUT US

A significant part of the mandate of our church is Christian Education. Leo Harris had a vision for Christian Education and plans were developed in 1976 and 1977 for a Christian School. Sunrise Christian School was founded in 1978 in Fullarton. A few years later Temple Christian College was founded as a sister organisation for high school students.

Adelaide Christian Schools (ACS) is an organisation that aims to oversee and support its schools ranging from Reception to Year 12 in co-educational settings and other training establishments. ACS is called to educate and train children in all aspects of life in such a way that God is seen to be the centre of everything - to be an extension of the Christian home, fulfilling the God-given mandate for parents to bring up their children in His ways.

The schools are governed by a Board with membership comprising individuals with vast experience and expertise from a variety of industry sectors. The Board works closely with Committees and Advisory Groups that have been established in each school community to engage with local leadership at a grass roots level, providing an opportunity for local input and expression.

OUR SCHOOLS

ACS governs and supports 11 schools. Each school offers its own distinctive qualities that focuses on the role of the family in education, character development and excellence in academics.

We currently have one employed teacher and a lady who volunteers her time to come and assist with teaching the children. Our support for Door of Hope Preschool is allocated to the running of the preschool.

Prayer Points:

- Pray for our staff, children and their families as they navigate through this uncertain time. Believe that the preschool will come back strong.
- Pray for any challenges faced at the hand of the local government.

Bethel Children's Homes

Sri Lanka: \$400 per month

Tax Deductible Project Code: J982N

Bethel Children's Homes have been in operation since 1998 when the first home opened with 11 girls. Since then two new homes have been built to house more girls on the same property. A property was also purchased to build a new home for boys. All of the children in the homes have been affected in some way by the war and civil unrest in Sri Lanka. This has resulted in them being displaced, physiologically affected and discriminated against.

The homes have government permission to care for up to 40 children. They maintain a family-like environment by ensuring a high level of individual care. The homes ensure all children are sent to primary and secondary schools within the community,

assures all medical and healthcare needs are met, provides all subsistence needs (i.e. food, clothing, shelter, water, sanitation, recreation etc.), and commits to continually support their overall physical, emotional, mental and intellectual development.

Our church provides financial and management support for the children and staff within the homes. As a church we sponsor four children - Angel, Sharon, Jonathan and George.

Prayer Points:

- Pray for all of our children during this uncertain time. Believe for all our new children to settle in effectively.
- Pray for our dedicated staff who take care of the children day-to-day, especially at this time as Sri Lanka has been placed under lockdown.

Children's Feeding Programs

Philippines: \$100 per month

Thousands of children have been ministered to throughout the Philippines by our feeding programs. Our children's feeding programs use strict attendance and monitoring records and are run for children in three age groups - 3 to 6 year olds (Level 1), 7 to 10 year olds (Level 2) and 11 to 14 year olds (Level 3).

Multiple activities are included within the feeding programs - feeding, Bible teaching, Gospel preaching, prayers for the children and their families, prayers for the communities, world missions orientation, games, memory verses, praise and worship, and assignments on the Bible. These programs may also go further to include children camps, family visits and Christmas gift giving.

CRC children's feeding programs differ from other feeding programs in the Philippines. They do not simply seek to provide food to children to fill their stomachs on a short term basis. They aim to provide education on nutrition and to provide nutritious meals so the health of children and their families may improve long term.

Prayer Points:

- Pray for all of the children and workers involved in the feeding programs that they will stay safe during this time.
- Pray that after this pandemic, that the feeding programs will experience a new wave of enthusiasm and blessing.
- Pray for guidance over our leaders as they navigate the future of the feeding programs

Rachelle Hardy

PNG: \$200 per month

Rachelle Hardy is a long-serving CRC missionary. She is primarily based in Port Moresby and oversees the World Missions Faith Training School. Rachelle travels regularly to India to provide leadership to the World Missions Faith Training School located there. She is an extremely faithful and hard working woman and we are very pleased to be supporting her as a church.

Prayer Points:

- Pray that Rachelle will be refreshed and kept in good health during this time as she is staying in Adelaide during the pandemic.
- Pray for God's ongoing sense of peace, guidance and protection over Rachelle's life.

Pr Barry and Rosalie Silverback

World: \$1,000 per month

Pr Barry Silverback is the CRC International Missions Director and is one of the longest serving members of Adelaide Christian Centre. He travels extensively to many nations teaching, preaching and mentoring many. He truly is a 'father in the faith' to hundreds of people around the globe.

- Pray for fruitful ministry in all that they sets out to do.

Warwick and Omega Hughes

USA: \$600 per month

Pr Warwick is originally from New Zealand and was a missionary in Papua New Guinea (PNG) for many years. In PNG he was heavily involved in training students through the World Missions Faith Training School. He met his wife Omega in PNG and together they have two children - Jethro and Warwick Jr.

After a long process acquiring visas, in August 2018 Pr Warwick and his family relocated to Walhalla, South Carolina in the United States. Pr Warwick is currently serving as our senior pastor at Faith Christian Center. The family has been well received by the local congregation and Pr Warwick is doing a fantastic job as senior pastor.

The Adelaide Christian Centre eldership,

TAX DEDUCTIBLE DEVELOPMENT PROJECTS

Two of our CRC children's ministries have tax deductible projects running from 2018-2020. This is an exciting development and we are looking forward to seeing all that will be achieved within our preschools in Fiji and children's homes in Sri Lanka throughout these projects.

A general overview of each project is included within the following columns. We have also included information for those of you who are looking to give tax deductible donations to the projects.

We appreciate all of your generous and ongoing support for our preschools and children's homes.

Fiji Preschools Development Project

Tax Deductible Project Code: J352N

From 2018-2020 we are working on a project to improve Bethel Crusade Preschools for students, teachers and the local communities where our preschools are located.

The major objective of the new project is: *To have eight fully functioning preschools complete with facilities that meet government and OHS standards, trained and certified teachers, and sewing courses to empower mothers and other women in the preschool communities.*

If you would like any further information on the project please pick up a project booklet from the info desk or the table at the back of the auditorium.

Sri Lanka Displaced Children Development Project

Tax Deductible Project Code: J982N

We launched a three year project for our children's homes in January 2018 for ongoing development and sustainability.

The major objective for this project is: *To support and empower displaced children and young people through quality education (primary, secondary and tertiary), improved healthcare, adequate subsistence (food, clothing, accommodation, water, sanitation and recreation), a safe family-like living environment, and ongoing developmental support (physical, emotional, mental and intellectual).*
