## WHAT KIND OF FATHER IS GOD?

Jesus qualified the term 'Father' when He said, "Our Father in heaven..." (Matthew 6:9). He is our heavenly Father as opposed to our earthly father – there is a huge difference!

We can view God through the lens of the behaviour and relationship, or lack of relationship, with our natural fathers which results in four misunderstandings:

1. God is Unreasonable
2. God is Unreliable
3. God is Unconcerned
4. God is Unpleasable

What does the Bible say about God? What kind of Father is He?

### **God is CARING**

God is compassionate, loving, and gracious and He cares about us (Psalm 104:13).

Does God really care about my problems, my hurts and what really happens to me? The answer is yes (1 Peter 5:7).

We have a heavenly Father that cares about all the details of our life.

God does not want us to worry about our needs either (Matthew 6:31-32).

### **God is DEPENDABLE**

God is consistent and worthy of our trust (James 1:17).

God isn't moody and He does not have a bad day.

Imagine if God said, "I feel a angry today. Who can I take it out on?"

God's consistency does not depend on my consistency.

Even if we are faithless, He remains faithful, for He cannot disown Himself (2 Timothy 2:13). God always keeps His promises.

He is always consistent (Romans 11:29, Psalm 59:10)

### **God is CLOSE to us**

God is available all the time.

He is not distant or far off - He is there when we need Him (Acts 17:27).

God, our heavenly Father, is not detached from us:

- Psalm 145:18 - God is never too BUSY for us
- Psalm 34:18 - God is sensitive to our HURTS

### **God is CAPABLE**

God can handle any problem we give Him. Nothing is beyond His ability and resources (Luke 1:37).

Our heavenly Father really can do anything. He is able to do far more than we would ever dare to ask for or even dream of – infinitely beyond our highest prayers, desires, thoughts, or hopes (Ephesians 3:20).

**Pr Mike Groom**

## CRÈCHE

### 0-3 Years

Our crèche is open every Sunday morning during the service for all those aged 0-3 years. No sign in is required for the crèche as parents are expected to stay and supervise their children when they are in there.

Our crèche consists of an open space where children have access to a variety of fun toys, craft materials, books and more. Children also have the opportunity to enjoy our indoor playground!

Attached to our crèche is a feeding room for breast feeding mothers and babies. An audio link and TV allows mothers to see and hear what is going on in the service; this is also available in the crèche.

If any parents, whose children frequently use the crèche, are interested in volunteering to help out in the crèche and supervise children during the church service, please contact the church office (contact details found on page 4). We are also looking for volunteers to help us in the crèche during our new Sunday night services.

## GROW

### 3-6 Years

This month we are focusing on Endurance. Our key Bible verse is Isaiah 41:10: *Do not fear, for I am with you, do not be dismayed, for I am your God. I will strengthen you and help you.*

We will kick off the month with special activities for Father's Day. Then we will spend the rest of the month drawing from Isaiah 41:10 and Ephesians 6:10-17; we will learn about our shield, sword and helmet!

Recently one of our children was telling me a story about her weekend and how she was watching a movie that was a bit scary but she knew she would be okay because she knew God had her back!

My challenge for September is to find your favourite Bible verse, write down why it is your favourite and share it with someone! If you do not have someone to share it with, send it to me! I would love to hear!

I hope everyone is staying safe and healthy.

God bless,  
**Cassie Beattie**

## ELEVATE

### 7-11 Years

In August Elevate focused on the topic of 'COURAGE - Having the guts to do the right thing'.

The lessons that we learnt within this topic were: 1) God will give you courage to stand up for what is right; 2) Be brave and remember that God is with you; 3) Trusting God gives you courage to do big things; and 4) Be brave and stand up for others.

In September we are moving onto a new topic: 'FRIENDSHIP - Treating others the way you want to be treated'.

The lessons that we will focus on within this topic are: 1) Be a friend to everyone; 2) Good friends put others first; 3) Good friends forgive; and 4) Good friends are important.

We ask all parents to join our Facebook group for all need-to-know information and important updates: [www.facebook.com/groups/elevateacc](https://www.facebook.com/groups/elevateacc)

God bless,  
**Kelly and Mikaela Groom**

## ENGAGE

### 18-25 Years

Engage Young Adults is aimed at all of those aged 18-25 years. The aim of our group is to create a sense of unity and friendship amongst all who attend.

In August we held an Engage dinner in Crusade Hall at church. Everyone brought food to share and we enjoyed a great time of fellowship with one another. The night was a great success!

We have another dinner planned for Saturday 19<sup>th</sup> September at Paolo and Ester's house. The dinner will begin at 5:30pm and everyone is encouraged to bring a plate (dinner or dessert) to share amongst the group.

Our Tuesday night connect group will continue every Tuesday night until 22<sup>nd</sup> September. The joint Empower and Engage connect group runs from 7-8:30pm in the youth room at church.

We greatly encouraged everyone to join our Facebook group to be in touch with all updated information: [www.facebook.com/groups/engagesturtstreet/](https://www.facebook.com/groups/engagesturtstreet/)

## SENIORS

### 50+ Years

Welcome to the seniors ministry of Adelaide Christian Centre! Our seniors ministry aims to provide the senior members of our church with an inspiring and encouraging support network.

### September Event Details

#### Thursday 17<sup>th</sup> September Fellowship and Lunch

Meet at church at 10am for a time of fellowship and 'Ministry Around the World'.

Everyone is then invited to gather together for lunch at Morphett Arms around 12:30pm.

During our senior events we will still need to observe the Government's advise in social distancing. There will also be hand sanitising stations available so please use them when coming and going. Please bring a pen as you will need to sign in.

Please let Peter Chigwidden know if you are coming. You can contact him by calling 0407 398 988.

## VOLUNTEER OPPORTUNITIES

There are a number of areas within our church that are in need of more volunteers. One of the greatest needs exists within our PA and Media Production Team.

The coronavirus pandemic has caused us to significantly invest in our media production team.

During the time that we were unable to meet together physically, investing in this ministry has allowed us to pre-record services and live stream every Sunday.

This exciting endeavour will not end just because our restrictions have eased and we are able to meet together again.

We are determined to continue our live streaming for each Sunday service, as we are reaching many people through this avenue beyond our church.

Up until this point, we have had a small group of people operating the equipment, editing our services, working on the sound and more.

These awesome volunteers have done a fantastic job and we are now looking at

recruiting more volunteers to help our church out.

If you are interested in any of the following roles, please contact Pr Mike or the church office (contact details found on page 4) as soon as possible as we are in urgent need of enlarging our PA and Media Production Team:

- PA Operator
- Sound engineering for live streams and for general Sunday activities
- Multimedia (operating the computer during live streams and Sunday services)
- Camera operations and directing (switching camera angles)

### Additional Areas in Need:

- Cleaning the church facility
- Helping in the church cafe
- Guest Services Team (GST)
- Children's ministry

## TENNANT CREEK CHRISTIAN FAMILY CHURCH

In 2016, as an eldership we felt of the Lord to commence reaching out to Indigenous Australians with the Gospel. We started to set aside \$50 per week as a seed of faith offering whilst trusting the Lord to open up the right doors for us to step into.

In September 2018 the Tennant Creek Christian Family Church was referred in regard to their long-standing commitment to the Indigenous people of the Barkly Region in the Northern Territory.

Pr Mike Groom rang and spoke to Pr Mike Baker; incidentally he and his wife Lorraine attended Adelaide Christian Centre (ACC)

in the late 1970s. They relocated from Adelaide to Port Augusta and then onto Tennant Creek a number of years later. They have been faithfully serving as leaders of the Tennant Creek Christian Family Church since May 1999.

In October 2018 Pr Mike and Pr Barry Silverback travelled to Tennant Creek to talk with the leadership team about their desire to join ACC and the CRC Churches in Australia. Since then Pr Mike has visited Tennant Creek on numerous occasions. Kelly, as well as Bruce and Tangi Walker and family also visited the folk at Tennant Creek in 2019.

As of July 2020, Tennant Creek Christian Family Church has officially become a part of the ACC family. Their two blocks of land in Tennant Creek, and also in Elliot, and assets have now been changed into the

ownership of ACC.

The church has quite a number of nationalities attending the church. A good number of Africans, Filipinos, Fijians, Papua New Guineans and many Indigenous Australians. The attendance in the Sunday morning service would average approximately 40-50 adults, as well as 15 or so children. In the evening Indigenous service there are up to 35 folk attending.

Pr Edward, his lovely wife Josephine and their daughter Esther, are missionaries from Papua New Guinea. They are a true blessing to the church and the community of Tennant Creek. They also oversee the small outreach in the town of Elliot, 250kms north of Tennant Creek, where we desire to commence regular meetings in the future.

The church has a wonderful ministry team

including Pr Mike and Lorraine Baker; elders Richard Baker and Morris Saunyama; and Andrew and Miriam Williams, along with Lionel James, oversee the Indigenous outreach and care ministry of the church. Pr Mike Groom is the senior pastor.

We welcome all the fantastic folk in the Tennant Creek Christian Family Church and the Elliot outreach into our ACC family and we look forward to a wonderful and fruitful partnership together.

## JORDAN OUTREACH MINISTRIES

In May 2019, Pr Mike found out that two of his high school mates from Gilgandra in NSW, Shane Reid (aka Skip) and Darren Sutherland (aka Sutho), had started an Indigenous church in Orange, NSW in November 2018. Pr Mike had not been in contact with either of them for 36 years.

He made contact with Skip via a mutual friend. In August 2019, Skip, Sutho, Nucka (real name Robert Bloomfield) and Josh Reid travelled across to Adelaide for a weekend and stayed with the Groom family. It was a wonderful weekend catching up and sharing stories. The guys

also attended the Adelaide Christian Centre (ACC) Sunday morning service.

Since then Pr Mike has been in regular contact with Skip and his wife Donna who are the leaders of the Jordan Outreach Ministries church. After a number of discussions it was decided that they would become part of the ACC family, which has now been formalised.

Skip and his lovely wife Donna have a tremendous dedicated group of people who share their heart and passion for God. The Great Commission fuels them to reach their own people with the love of Christ, motivated by the power of the Holy Spirit.

Wonderfully supported by Sutho and his lovely wife Sharon (aka Min), as well as their very talented son Jacob Sutherland, who has a real call upon his life in music,

worship and song writing. Skip, Donna, Sutho, Sharon and Jacob make up the Ministry Team at the Jordan Outreach Ministries church.

They have a Sunday morning service with an average of 30 - 40 people, a Wednesday night prayer meeting and a small group Bible study on Thursday nights. They have a very talented and anointed worship ministry which will in time be reaching out beyond the city of Orange through their own songs and evangelistic ministry.

Adelaide City Care has become a member of Foodbank NSW and is now joining forces with Jordan Outreach Ministries. We are now actively negotiating with a local Indigenous non-for-profit in Orange to collaborate together to run a food relief programme for the Indigenous community in Orange. This in time will progress into a

food pantry which will be a fantastic blessing and outreach into the local community. We are all very excited about this; please pray that the Indigenous organisation will partner with Jordan Outreach Ministries and Adelaide City Care in this new and exciting initiative.

As mentioned in the Tennant Creek article, the \$50 seed set aside weekly back in 2016 by the ACC eldership for Indigenous ministry has really grown. To now have two Indigenous church's a part of the ACC family is exciting and a wonderful blessing; a testimony of the Lord's faithfulness.

God is about to do many wonderful and amazing things through the Tennant Creek Christian Family Church in NT and the Jordan Outreach Ministries in NSW as we join together to reach many Indigenous folk for the Lord. Watch this space!

## CONNECT GROUP ARTICLE

God never intended for us to walk through life alone but connected with others because life is better connected!

Romans 12:5b (NLT): Since we are all one body in Christ, we belong to each other and each of us needs all the others.

Hebrews 10:25a (TEV): Let us not give up the habit, of meeting together, instead let us encourage one another.

God desires us to 'do' life together, so we can grow and support one another.

Ephesians 4:16 (NLT): As each part does its work, it helps the other parts grow. So Christ's whole body, is healthy and growing

and full of love.

Galatians 6:10 (MSG): Every time we get the chance, let us work for the benefit of all, starting with the people closest to us in the community of faith.

Ecclesiastes 4:12 (NIV): A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken.

Genuine relationships provide the care and support we need to stay on course and to withstand the pressures that life throws at us. Being committed into a church family is where we can and should experience supporting relationships.

Small Group Ministry (Connect Groups) is a great way to experience the benefits of supporting relationships within a church family.

Across our three churches our primary areas of focus for Connect Groups are:

- **Sense of Belonging:** When we have a sense of belonging we feel accepted, connected and comfortable within a small group of people.
- **Caring Community:** When we are accountable to one another and are experiencing a sense of belonging we then naturally care for those we are connected to.
- **Spiritual Growth:** Spiritual Growth is defined around three vital relationships: intimacy with God, community with believers, and influence with non-believers.

## OVERVIEW

Equip Training College (ETC) is intentional about equipping Christ followers to be effective ministers and leaders, who serve God by serving others.

## ABOUT US

A part of the mandate of our church is Christian Education. Leo Harris had a vision for Christian Education and plans were developed in 1976 and 1977 for a Christian School. Sunrise Christian School was founded in 1978 in Fullarton. Some time later Temple Christian College was founded as a sister organisation for high school students.

Adelaide Christian Schools (ACS) is an organisation that aims to oversee and support its schools ranging from ELCs to Year 12 in co-educational settings and other training establishments. ACS is called to educate and train children in all aspects of life in such a way that God is seen to be the centre of everything - to be an extension of the Christian home, fulfilling the God-given mandate for parents to bring up their children in His ways.

The schools are governed by a Board with membership comprising individuals with vast experience and expertise from a variety of industry sectors. The Board works closely with Committees and Advisory Groups that have been established in each school community to engage with local leadership at a grass roots level, providing an opportunity for local input and expression.

## OUR SCHOOLS

ACS governs and supports 12 schools. Each school offers its own distinctive qualities that focuses on the role of the family in education, character development and excellence in academics.

## SUNRISE BETHEL CHRISTIAN SCHOOL

I am sure that you are as excited as I am to see our buildings getting closer to completion *[these buildings will be used for the new year ten classrooms and more]*.

The main structures are up - and are looking wonderful. There are a number of things that need to happen to complete them on the inside, but they are looking fantastic and we are beginning to imagine them full of students.

We would like to thank those who have made this happen, especially Mr Mark Nokes in Australia, who along with Pastor Gwaibo Badira has worked with our builder and his team.

There have been many, many international conversations to make these buildings grow and we are very thankful. In 2021 we will be able to make great use of these spaces.

Recently I have been able to visit a number of schools in Australia and observe teaching practices in classrooms across a variety of year levels and classes. What I have seen is great skills and good strategies for increased learning.

What I have also noted, is that this is exactly

what our teachers do too! We have outstanding teaching staff at our schools, and they use the tools and strategies that are best for the learning of our students (see examples on following page).

Earlier this year we looked at how Jesus taught his disciples and those around him. We saw some things that Jesus did that directly relate to our practice of teaching today.

It wasn't just about the words Jesus used, but also about the way he used his environment and his skills to share learning. Jesus presented things in order and built on the learning of his disciples, he gave clear and specific examples to follow and he used the environment around him to help put learning in context.

It is our goal to teach as Jesus did and see lives changed as a consequence. Over this last week *[final week of August]* we had exciting news that 10 of our students gave their lives to Christ. Lives are being changed! How exciting it is to be a part of this journey together.

#### Mrs Rebekah Cook

*Principal of Sunrise Bethel Christian School*

When teachers model the correct way to do things students are helped to see value in the learning process – not just the final task.

Examples on the board are important in the learning process. Students need examples and direction for successful learning.

When the students are working, the teaching staff move around the room to help with any misconceptions that may be occurring and to assist with general questions. Learning time is maximised.

It is important for the students to be good listeners when the teacher is speaking. The teacher is standing and engaged in the learning process, speaking with clear instructions.

Left: The teacher uses the things on the board and on display around the room to help students find what they need to be successful learners.

The learning environment in the classroom is created deliberately – so that what is on the board and walls assists the learning process.

Here the students are being directed to use what is on the board to help them with their learning.

### Bethel Children's Homes

**Sri Lanka:** \$400 per month

**Tax Deductible Project Code:** J982N

Bethel Children's Homes have been in operation since 1998 when the first home opened with 11 girls. Since then two new homes have been built to house more girls on the same property. A property was also purchased to build a new home for boys. All of the children in the homes have been affected in some way by the war and civil unrest in Sri Lanka. This has resulted in them being displaced, physiologically affected and discriminated against.

The homes have government permission to care for up to 40 children. They maintain a family-like environment by ensuring a high level of individual care. The homes ensure all children are sent to primary and secondary schools within the community,

assures all medical and healthcare needs are met, provides all subsistence needs (i.e. food, clothing, shelter, water, sanitation, recreation etc.), and commits to continually support their overall physical, emotional, mental and intellectual development.

Our church provides financial and management support for the children and staff within the homes. As a church we sponsor four children - Angel, Sharon, Jonathan and George.

#### *Prayer Points:*

- Pray for all of our children during this uncertain time. Believe for all our new children to settle in effectively.
- Pray for our dedicated staff who take care of the children day-to-day, especially during this time with COVID-19.

### Children's Feeding Programs

**Philippines:** \$100 per month

Thousands of children have been ministered to throughout the Philippines by our feeding programs. Our children's feeding programs use strict attendance and monitoring records and are run for children in three age groups - 3 to 6 year olds (Level 1), 7 to 10 year olds (Level 2) and 11 to 14 year olds (Level 3).

Multiple activities are included within the feeding programs - feeding, Bible teaching, Gospel preaching, prayers for the children and their families, prayers for the communities, world missions orientation, games, memory verses, praise and worship, and assignments on the Bible. These programs may also go further to include children camps, family visits and Christmas gift giving.

CRC children's feeding programs differ from other feeding programs in the Philippines. They do not simply seek to provide food to children to fill their stomachs on a short term basis. They aim to provide education on nutrition and to provide nutritious meals so the health of children and their families may improve long term.

#### *Prayer Points:*

- Pray for all of the children and workers involved in the feeding programs that they will stay safe during this time.
- Pray that after this pandemic, that the feeding programs will experience a new wave of enthusiasm and blessing.

## THE VAKACEGU FAMILY IN PAPUA NEW GUINEA

The idea of coming to Papua New Guinea (PNG) was birthed way back in 2009 after the leaders conference in Australia. After Pr Alipate Yagomate returned home to Fiji he shared with us about his time being trained in PNG.

In 2010, Soni joined the Fiji School of Discipleship training. He began to discover more about the work of missions and how we can further support missions.

Our involvement in missions awareness, prayer meetings, fund drives and more, began to motivate us and created a desire to become missionaries one day.

In addition to this, the lives of our very own missionaries serving in the field and hearing about their experiences and the challenges that they face also increased our desire to become missionaries.

In 2018, we were approached by Pr Mike Groom and Pr Barry Silverback to move to PNG to run the new Preschool Teacher Training School. We believe this was what God had been working on and preparing us for all along.

In January 2019 the two of us, along with our children - Alisi (11 years old) and Soni Junior (9 years old) - set foot onto this beloved nation of Papua New Guinea.

I am currently working as a full-time course facilitator at our new training school here at Bethel Centre - Bethel Preschool Teacher Training College (BPTTC).

Soni completed his training in the World Missions Faith Training School (WMFTS) last year and is now part of the training staff. He is currently helping Pr Paul Stanley with Bethel Bible College (BBC) and is also helping Pr Elijah and Beverly Umeume with Bethel Bible School (BBS).

From the time we arrived our greatest challenges have been struggling with the food, the hot weather, the language and freedom of movement. But as we have settled in we have changed our perspective in the way we see and do things, and have adjusted ourselves to all of these things. Now we are going with the flow and enjoying every moment of our lives here at Bethel.

My greatest moments as a missionary in PNG have been: 1) being the pioneering course facilitator at BPSTTC; 2) being the

first guest speaker for the first graduation of students of BPSTTC; and 3) successfully graduating nine lovely ladies with their Diploma in Early Childhood Education.

Soni's highlights have been: 1) being part of the work in Gaire village during his practical - helping out in the community and at the same time reaching lost souls for Christ; 2) graduating from WMFTS - this was a big reward for him personally; and 3) being given opportunities to lead praise and worship, preach, and lecture in WMFTS, BBC and BBS.

Our advice for anybody who feels the call to become more involved in missions, or to become a long-term missionary, is to get involved in the missions work in your local church, go on short-term mission trips, read missionary biographies, and get to know the world around you.

## HUGHES FAMILY UPDATE FOR AUGUST

Dear pastors, leaders and family of God. Greetings to you in Jesus from us in South Carolina, United States of America (USA).

We have seen a number of people coming into church who were here some years ago and have been coming along for a few weeks now.

We have been receiving positive feedback from people that we have prayed for, seeing God heal them or help them divinely in the circumstances and situations they find themselves in.

We have finally managed to get a small

swimming pool for the church to be used for water baptisms. The boys tried it out to make sure it will work alright for future baptisms.

Just recently I had the lawn mower out of action for about a week before we could get it fixed. While waiting for it to get fixed, I used an old machine; you attach it to the back of the tractor to be used for cutting the grass.

It was going alright until the belts broke on it; this was because it had been sitting for a number of years and was not being used. Luckily the mower is all fixed now and is running well.

We would like to extend a big thank you to everyone who has joined with us in prayer for a new principal for Faith Christian School.

Unfortunately we have not been able to hire a new principal. This, in addition to the current isolation measures in place due to cases of COVID-19 spiking, has influenced our decision to change the direction of the school for 2020/21.

During this time we have offered a home-schooling alternative and 13 students have enrolled into the program. We plan to reopen the school in August 2021, which is the start of the new school year here.

With all that is has been going on around us - COVID-19, protesting - Jesus has been keeping us all safe and well.

We have had to get glasses for Jethro as he started having some trouble seeing things clearly in the distance.

As a family, we helped one of our church families have a bit of a clean up in their

backyard after an awesome evening meal.

We have started playing this sport called Disc Golf. It is a bit like golf but you use a frisbee type disc and throw it.

The goal of the sport is to get the disc in a chain type of holder. Awesome fun!

This month we have had a good harvest of tomatoes especially, as well as peppers out of our gardens.

Watermelon is growing well, cucumbers have been slow to grow as the rabbits and the deer have been chewing on them.

We are thankful for the hand of God upon our lives, and the church family here in Walhalla.

Thank you for your prayers and support, it is very much appreciated.
