

King Of Heaven

Verse 1:

Arrest my heart, let me see
Your nail-pierced hands, that bled for me
Your love poured out, gracious king
On that cross, where You died for me, where You died for me
(refrain)

Chorus:

Hallelujah
King of Heaven
I give my burdens
I step in Your presence, experience Your grace

Holy Spirit
I surrender
For Jesus sacrificed it all
Now I stand in His glory, experience God's love

Verse 2:

Renew my heart, let me see
The wonders You've done, for all to see
Your voice cried out, It is finished
The beauty of the cross, I can never fathom, I can never fathom
(refrain)

Bridge:

Bringer of Life
Release my chains
Step foot in my heart, I'm free in His name
Winning my fights
Forever Amen
Step foot in my heart, I'm free in His name
