

The Father's Love

Verse 1: F G Am G

Love is patient, love is kind
Love does not boast, it isn't proud
Love is slow to anger, love forgives,
It seeks the good while we were cursed with sin

Pre-chorus: F G Am G

This love will leave the ninety-nine,
to find the one who's lost
The power of sin had gripped us tight,
the Son has paid the cost

Chorus 1: C F Am G (Am G C -> verse)

This Love raises the dead to life
It refines me for my good
It sent his only Son to die for me
Oh, My God, My God is Love

Verse 2

God is patient, God is kind
He does not boast, He isn't proud
My God is slow to anger, He forgives,
He seeks the good while we were cursed with sin

Pre-chorus

For the ones who cried out "crucify",
Them, my Christ had died to save
The willing, perfect sacrifice
Now this Love has made a way

Chorus 2

This Love raises the dead to life
It refines me for my good
It sent his only Son to die for me
Oh, My God, My God is Love

This love replaced my sin with grace
He's washed me white as snow
Divine and blessed, My soul proclaims
That my God, my God is Love

Bridge: F (G) Am (G/B) C G

There is no power
No height, no depth, no sin
That could ever separate
Us from the Father's love
