

You Have Overcome

Verse

Jesus, lover of my soul
Let your grace fall upon us, fall upon us
Jesus, saviour of all
Let your grace fall upon us, fall upon us
(2x)

Pre-Chorus

We receive Your love from the cross as we surrender
Your blood has set me free, you are enough for me

Chorus

You have taken my shame
You have taken my place
Redemption is here, the work is finished
You have overcome the grave

My chains are now broken
New life has been spoken
By your mercy, I am saved
Death is defeated!
You have overcome the grave
